

FLEMING

Non-Academic Requirements

NARS

What you Need to Know

What is NARS

- **NARs are the immunizations, certifications, licenses and various other non-academic items you may require to participate in any specific clinical or placement that your program offers.**
- **Simply put this along with your academic performance is the ticket to gaining access to real world experience.**

How do I start this process?

FLEMING

- **Get your list of requirements from our website. Each program lists what is needed by semester.**
- **Check the other tabs across the top of this page for relevant forms and information.**

Non Academic Requirements | department.flemingcollege.ca/nars/

Department Website

Home | NARs Deadlines | **Requirements by Program** | Police/Vulnerable Reference Check | Synergy

Immunizations | First Aid and CPR | COVID-19 Form | Mask Fit Test | AODA | WHMIS 2015

WSIB Student Letter | WHSA | OACYC | PRHC | NVCI | ASIST

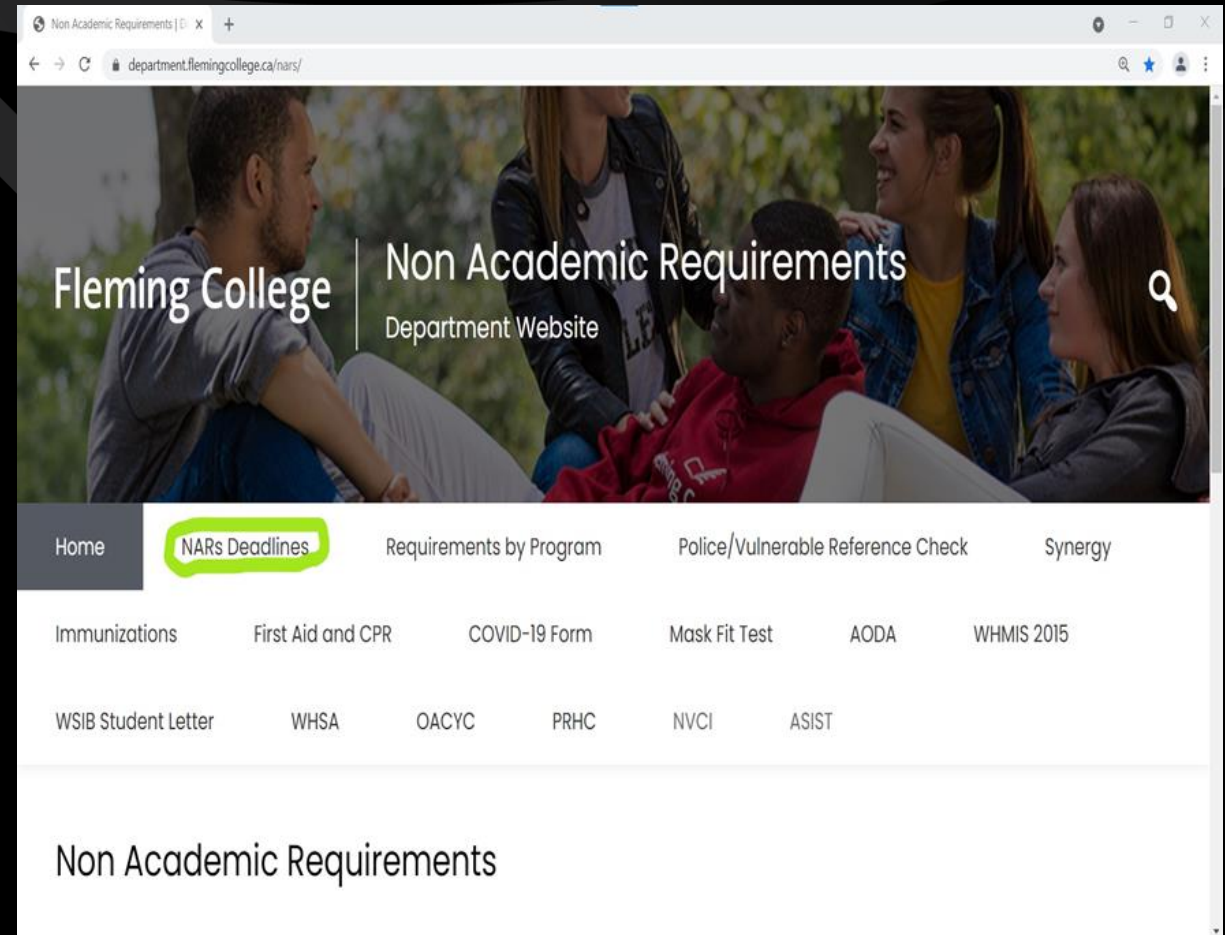

Non Academic Requirements

When do I need to have this all together?

FLEMING

- There will be specific deadline dates for each program.
- Make a clear note to yourself on your phone or on a calendar to be sure you don't miss the deadline.

How do I submit this information?

- We have just recently partnered with Synergy Gateway to verify the NARs.
- All questions related to NARs or Synergy should be directed to nars@flemingcollege.ca

Check Each Semester.

FLEMING

Typically, there are NARs for every semester along with associated deadlines.

Stay on top of this and check the website

It is a little thing, but it can cause big problems if ignored.
