

School of Environmental & Natural Resource Sciences

Frost Campus | Fleming College

Academic Orientation Timetables - Frost Campus - Winter 2015

Students enrolled in these programs are sent an email the week of December 17th regarding orientation week events and classes.

This e-mail contains all the information you need for your first week at Fleming. Your orientation week timetable will be attached to that e-mail. Follow that timetable for the week of January 12th to 16th.

Ecosystem Management Technician
Environmental Technician
Fish and Wildlife Technician
Forestry Technician
Resource Drilling and Blasting

Students enrolled in **Applied Community-Based Research** should check their Fleming College email for information regarding class start times. This email will come from the Program Co-ordinator Josh Feltham

Students enrolled in **Sustainable Agriculture** will begin classes on Tuesday January 13th at 9:00 am. Students will meet in room 294.

Students enrolled in **Arboriculture** should follow the timetable they see on the student portal "**myCampus**".

Go to <http://flemingcollege.ca/> and log into **myCampus**.

Students enrolled in **Heavy Equipment Techniques** and **Electrical Power Generation Technician** meet in Room 517 at 8:00 am on Monday January 12th. Room 517 is located in the Heavy Equipment Technology Building at the end of Heavy Equipment Road.

Classes start on Monday, January 12th for students entering semesters 2 thru 6 at Frost Campus.
