

Students with Disabilities

Connecting with Supports 2012

If you do not have a disability, please disregard this flyer.

We offer a few options in the summer to help students with disabilities connect with the services and supports they need in college. Each is designed to help you start off your first semester at Fleming on the right foot.

Connecting with Supports 2012: Students with Learning Disabilities at the Lindsay & Peterborough Campuses

**In Lindsay:
August 27 & 28**

**In Peterborough:
August 29 & 30**

Parents are welcome to attend a session tailored for them at the start of the first day.

Lunch will be provided each day, but students are responsible for making their own arrangements for other meals and overnight accommodations.

**Space is limited
Registration deadline
June 4th**

Don't miss this chance to be a First at Fleming participant. Register now by filling out the attached registration information.

A non-refundable registration fee of only \$25.00 for all of this!

(If we are not able to accept you in the program the fee will be refunded.)

First At Fleming

This is a two day orientation program which will enable you to:

- Better understand your learning disability
- Identify your learning strengths and weaknesses
- Meet with key disability service providers:
 - Learning Disability Counsellor
 - Assistive Technologist
 - Learning Strategist
- Get your accommodations put in place for the semester
- Have hands-on experience with assistive technology
- Meet, learn and socialize with others with a learning disability
- Explore Fleming before the halls are crowded
- Have a current psycho-educational report in place prior to the start of classes in September

Parents may choose to attend a parent session from 9:00 a.m. – 10:00 a.m. on the first day where we will discuss the types of services available, student responsibilities, and the Bursary for Students with Disabilities. There will be ample time for a question and answer period.

A psycho-educational assessment with a learning disability diagnosis on it from a clinical psychologist is needed by all participants. IPRC and IEP information from high schools is also needed. Limited funding is available from the First at Fleming program for those who have a psycho-educational assessment which is more than 5 years old. The name of a psychologist in your area will be provided.

Note: First At Fleming is funded through the provincial government's summer transition program and we are still awaiting the approval of our program. If we are forced to cancel the program, we will contact everyone who has applied to discuss alternatives.

Connecting with Supports 2012 Lindsay & Peterborough

**In Lindsay
August 23rd**

**Open to students
with any type of
disability**

**In Peterborough
August 20th**

**Open to students
with learning
disabilities, MID,
brain injury, or
ADD/ADHD**

There is no charge for this half day program, but you must complete the enclosed registration form.

There is no deadline to apply but space is limited and students will be accepted on a first-come, first-served basis.

Head Start

Head Start is a great opportunity for you to:

- Learn about all of the excellent resources that are available at Fleming.
- Meet key people who are available to help.
- See demonstrations of assistive technology that you may find useful in college.
- Understand the ways in which college differs from high school.
- Learn about self-advocacy and resources which can help you develop this important skill.

Head Start begins promptly at 9:00 a.m. and finishes at 11:00 a.m.. After 11:00 a.m. individual appointments will start with your counsellor. If you have free time from this point don't forget to check out other student services, buy used books, arrange to get a locker and/or parking pass for the school year, check out housing options and otherwise get a feel for the campus.

Parents may choose to attend a parent session from 9:00 a.m. – 10:00 a.m. where we will discuss the types of services available, student responsibilities, and the Bursary for Students with Disabilities. There will be ample time for a question and answer period.

Students have told us that attending Head Start really helps to reduce the anxiety that many students feel as they prepare for college.

Connecting with Supports 2012

Other Options:

If you will be attending the Cobourg Campus, the Haliburton Campus, or if the First at Fleming and Head Start programs are not right for you, please make sure to contact us in the summer to schedule an individual appointment with a counsellor. Your counsellor will discuss your needs and get you connected with the supports that will help you.

Peterborough 705-749-5527 or toll-free 866-353-6464, ext 1527

Lindsay 705-324-9144, ext 3232 or toll-free 866-353-6464, ext 3320

Haliburton 705-457-1680, ext 6717 or toll-free 866-353-6464, ext 6717

Cobourg 905-372-6865 ext-5238 or toll-free 866-353-6464, press 0 for the switchboard and ask for ext 5238
