

# PATHWAYS FOR WORKPLACE GRADS

**FLEMING COLLEGE OFFERS SEVERAL PROGRAMS THAT LEAD TO REWARDING CAREERS FOR WORKPLACE LEVEL GRADS. BRIDGE PROGRAMS THAT OFFER CREDIT OR GUARANTEED ENTRY TO OUR COLLEGE DIPLOMA PROGRAMS ARE ALSO AVAILABLE.**

**ADMISSION REQUIREMENTS:** OSSD with the majority of credits at the Workplace (E) level, including English. When Workplace (E) is the minimum course level for admission, (C) and (U/C) level courses are also accepted.

## PERSONAL SUPPORT WORKER

2-semester Certificate. Lindsay & Peterborough Campuses

This program gives students the training and credentials for a rewarding career providing support for children, adults and seniors with special needs or disabilities. OCAS Code: PWS / PWF

## OFFICE ADMINISTRATION – GENERAL

2-semester Certificate. Peterborough Campus

This program focuses on both the technical and software skills required in today's public and private sector office environment and the human and problem solving behavioural skills demanded of all employees. OCAS Code: OAG

## OFFICE ADMINISTRATION – EXECUTIVE

4-semester Diploma. Peterborough Campus

This program teaches you advanced administrative skills and business applications to obtain highly-skilled office jobs including managerial positions. In Semester 1 & 2 you will take courses in conjunction with Office Administration-General to learn the foundational courses. In Semester 3 & 4 you will focus on courses related to specialized software applications, event planning and project management. OCAS Code: OAE

## ESTHETICIAN

Fast-track 3-semester Diploma. Cobourg Campus

Students graduate job-ready with practical experience and business skills by working in the on-campus spa. OCAS Code: EST

## WELDING TECHNIQUES

2-semester Certificate. Peterborough Campus

Students will gain extensive hands-on experience on the most demanding processes used in the industry and graduate with employable skills to assist them in obtaining well-paying jobs in the welding trade. OCAS Code: WTQ

## PLUMBING TECHNIQUES

19-week Certificate. Peterborough Campus

Graduate with a variety of trade-specific skills that could land you employment with independent contractors or be your pathway to a plumbing apprenticeship. OCAS code: PLM

## ELECTRICAL TECHNIQUES

2-semester Certificate. Peterborough Campus

This program is a pathway to work in the electrical industry, electronics or electrical mechanical field or continue to more advanced college programs in this field, including Fleming's new Electrical Engineering Technician. OCAS Code: ETQ

## CONSTRUCTION SKILLS

2-semester Certificate. Peterborough Campus

Graduates from this program praise the variety of skills covered: carpentry/framing techniques, electricity basics, welding, masonry basics and blueprint reading. Graduates may receive credit towards Carpenter or Brick & Stone Mason Apprenticeships. OCAS Code: CNS

## HEAVY EQUIPMENT OPERATOR

12-weeks Certificate. Lindsay Campus

In a hands-on learning environment students develop the skills to operate bulldozers, graders, backhoes, excavators and other construction site equipment. OCAS Code: HEO

## BLASTING TECHNIQUES

Only program of its kind in Canada. 1-year Certificate. Lindsay Campus

This highly practical hands-on program uses labs and field classes to focus on explosions, drilling & blasting, geology and safety. OCAS Code: SBL

## OUTDOOR ADVENTURE SKILLS

2-semester Certificate. Lindsay Campus

Outdoor enthusiasts are trained and certified for positions in the adventure tourism industry. Students can obtain several outdoor certifications, which would ordinarily require travel throughout Ontario, throughout the year. OCAS Code: OAS
