His book and exhibition designs have won numerous awards and in 2009, he was inducted into the Royal Canadian Academy of the Arts for his graphic design work.

### DESIGN YOUR FUTURE.

Fleming College's new Integrated Design diploma program will give you the fundamental design and critical thinking skills needed to become a successful designer in the 21st century. This one-of-a-kind, accelerated diploma program incorporates a hands-on approach to material culture, sustainability and fine craftsmanship. In three semesters you'll explore and experiment, collaborate, communicate, and discover your design talent. You will be prepared to apply your knowledge and skills developed in the program to whatever design specialty you choose to pursue.

For more information and how to apply to the program, go to [www.flemingcollege.ca/programs/integrated-design](http://www.flemingcollege.ca/programs/integrated-design).
