The Board of Governors of Sir Sandford Fleming College is seeking applications for two upcoming vacancies. Each position consists of a three-year term commencing September 1, 2012 with eligibility for a second term of three years.

The Board provides the College with community-based governance through impartial oversight. It is comprised of both external and internal members. The Board is responsible for strategic leadership and plays a vital role in shaping Fleming's strategic direction and mission while ensuring public accountability.

There are eight Board meetings per year, and members must commit to attendance expectations. Governors are also required to serve on one Board committee each year. From time to time, members may be required to be involved in additional committees, projects or events.

Interested individuals should have experience in effective governance and possess relevant expertise/leadership at their place of employment or through community involvement. For this recruitment opportunity, applicants from the City of Kawartha Lakes and Peterborough regions in the following sectors would be of particular interest: skilled trades (including manufacturing/industry, apprenticeship, and construction/building maintenance), environmental resources/renewable energy, and tourism/hospitality. Gender balance, an awareness of postsecondary education issues, and an ability to evolve relationships that will build and support Fleming College are also desirable assets.

Candidates may also be required to complete application forms applicable to the Public Appointments Secretariat of the Government of Ontario. If such application is required, candidates will be notified during the interview process and the appropriate forms provided.
