

# Arboriculture Program

Build your career brand in the Arboriculture program at Fleming College. From start to finish, the Arboriculture program is hands-on - you'll be spending a lot of time working with trees and shrubs outside in addition to your time in the classroom.

When you graduate, you'll be qualified for jobs such as: tree climber; municipal arborist; commercial arborist; utility arborist; plant health care technician; urban forest technician; tree and shrub specialist; urban parks manager.
