

# Esthetician Program

Build your career brand in the Esthetician Program at Fleming College. You will practice your skills, improve your techniques, and learn how to offer excellent customer service in our on-campus spa. With one state-of-the-art work station for every two students on average, you can be sure that you will have the opportunity to really gain in confidence as you practice current methods and techniques in use in the field.

Career opportunities include working in destination spas, resorts, cruise ships, health centres, and clinics. With experience, you may choose to open your own business.
