

# Global Business Management Program

Build your career brand in the Global Business Management Program at Fleming College. Your choices in the area of Global Business Management are diverse and you can focus your skills on careers in almost any area of business within the global marketplace.

Examples include the areas of international management, finance, accounting, sales, marketing, global logistics, importing and exporting, tourism and hospitality. The skills learned at Fleming College are also easily transferable to fields such as the government, international aid agencies and the military.
