

Pre-Health Sciences Pathway to Certificates and Diplomas Program

Build your career brand in the Pre-Health Sciences Pathway to Certificates and Diplomas at Fleming College. This pathway program is designed to prepare you for admission to college programs in health sciences, biological or chemical sciences, while you learn about possible careers in these fields. The program provides the knowledge and skills in communication, mathematics, human anatomy, biology and chemistry needed

to be successful in related college programs. Upon successful completion of this two-semester program, you will be eligible for admission to college programs such as: [Health Information Management](#); [Occupational Therapist Assistant/Physiotherapist Assistant](#); [Paramedic](#); [Pharmacy Technician](#); [Practical Nursing](#)
