

CAREER DEVELOPMENT MAP

General Arts and Science – University Transfer Program

Build your career brand in the General Arts and Science – University Transfer program at Fleming College. If you want to develop your skills, knowledge and self confidence to be successful in university or if you do not have the necessary academic credentials to enter university directly this program is for you. This program is unique in its emphasis on providing students with a coherent overview of Literature, Philosophy,

Psychology and Sociology. These complementary courses will provide you with the opportunity to apply your learning across the curriculum. The faculty believe that the integrated design of the program will help students develop as thinkers, writers and researchers.
