

Heavy Equipment Techniques Program

Build your career brand in the Heavy Equipment Techniques Program at Fleming College. In this program you will study the overhaul, maintenance and repair of heavy equipment on the latest, state-of-the-art equipment, supplied by our sponsors. We are known for our up-to-date equipment, quality programs, high industry placement rate, and skilled, knowledgeable instructors.

Excellent relationships with the industry mean jobs - linking students to potential employment opportunities upon graduation. Upon completion, you will have a comprehensive background in mechanical studies, preventative maintenance, safe shop practices, and equipment management systems.

	FIRST SEMESTER	SECOND SEMESTER	THIRD SEMESTER	AND BEYOND	
DEVELOP YOUR CAREER BRAND	LEARN				
	BE OPEN TO ALL CAREER POSSIBILITIES	Register with Career Services and access TypeFocus to identify personality strengths and values.	Take advantage of mentors on co-op to explore career options. Talk to new colleagues about their career path and experiences.	Your shop work in Powertrains II will allow you to collaborate with your peers as you build on skills learned in the classroom setting.	Graduates can access Career Services for two years beyond graduation while maintaining relationships with faculty and fellow graduates.
	BUILD ON YOUR PROGRAM AND EXPERIENCES	Your Professional Portfolio Development builds your portfolio and job search skills, an essential tool in good career management.	Investigate Fleming College's commitment to sustainable practices and see how you can get involved.	Develop digital technology skills in Electronic Engine Management as you use computer systems to evaluate engines and their components.	Access community job search resources after graduation at Fleming CREW , Lindsay VCCS , or other providers .
	BELONG				
	GIVE BACK TO THE COMMUNITY	Begin your co-curricular record to track campus and community involvement that contribute to your career brand.	Engage in community service learning. Investigate volunteer opportunities both on and off campus.	Link with Educational Pathways to investigate related programs or other educational opportunities.	Continue to explore volunteer opportunities both here and abroad.
	FIND SUPPORT FOR YOUR CAREER PATH AND GOALS	Innovations in Industry will ensure oral and written communication skills and customer service skills are up to industry standard.	Your Co-op experience will allow you to demonstrate your professionalism in the workforce.	Check out some of the career opportunities that our graduates have pursued.	Mentor a grad or student, stay connected through the Alumni LinkedIn page and program FaceBook page .
	USE YOUR EDUCATION TO CREATE NEW OPPORTUNITIES	Check out orientation , meet fellow students in your program and faculty. Connect with campus resources such as Tutoring & Academic Skills to ensure your academic success.	Explore your industry, conduct an informational interview or job shadow. Find organizations to get involved in and expand your network.	Connect and register with the Alumni Office , find out how Fleming supports you after graduation.
