

CAREER DEVELOPMENT MAP

Mechanical Techniques - Plumbing Program

Build your career brand in the Mechanical Techniques – Plumbing program at Fleming College. This program will provide you with a variety of trade-specific skills, introducing you to installing, maintaining and repairing piping systems in residential, commercial and industrial settings.

Graduates may find employment with independent contractors, building maintenance operations or wholesale supply houses. This program can also be your pathway to a plumbing apprenticeship.

	FIRST SEMESTER	SECOND SEMESTER	AND BEYOND
