

# Therapeutic Recreation Program

Build your career brand in the Therapeutic Recreation Program at Fleming College. This post-graduate program creates professionals who may work with a variety of individuals requiring health services, including geriatric, mental health, addictions, general medicine, physical medicine and rehabilitation, developmental disabilities, and pediatric clients.

Graduates from the program have gone on to positions such as: Health care agencies and hospitals; Residential facilities; Community mental health centres; Adult day Care programs; Substance abuse centres; Hospice care; and Community Centres.
