

Fleming College Vice President, Corporate Services

Location: Peterborough, Ontario

Located in the heart of Kawartha Lakes and within a one-hour drive of the GTA, Fleming College is surrounded by the natural beauty of cottage country – a beautiful place to live and work. Offering more than 100 full-time programs across a multitude of disciplines, the College is home to 6,800 full-time and 10,000 part-time students, including 1,800 from around the world.

Having recently launched its new 2019-2024 Strategic Plan, "*Our Fleming. Our Future.*", the College is seeking to recruit a transformative **Vice-President, Corporate Services** to lead the modernization of the portfolio and to help advance Fleming College's vision to create prosperity and transform communities through education and innovation.

Reporting directly to the President, and as a member of the senior leadership team, you are responsible for ensuring the financial health of the College through development and implementation of leading edge financial and risk management plans, business models, infrastructure and development plans, facilities and IT, including partnerships to enable academic and enterprise-wide goals. You will create, coach and mentor a high performing team, promoting a culture of accountability and respect. Fostering an inclusive community, you will develop innovative programs to enhance campus services and ensure overall public safety. As a key service lead to the senior management team, you will transform Corporate Services to serve as an enabler to the organization and prioritize the needs of the college community. A trusted advisor to the President, you provide direction and support on relevant corporate issues to the Board of Governors.

As the ideal candidate, you are a respected and forward-thinking business leader with a proven track record of successfully providing strategic and business counsel at the executive level, well beyond the lens of finance. You are described by your peers as an innovative and strategic thinker who critically analyzes and assesses complex situations to drive value and the overall success of the organization. You possess strong communication and interpersonal skills that allow you to develop and foster relationships with key stakeholders in a variety of working environments. You embrace technology and your expertise across the full spectrum of administrative management and leadership is critical to your success in this role.
