FLEMING

Sir Sandford Fleming College

Let the Deed Show

In present day parlance, it means “let the deed show” but nonetheless, the motto on the Fleming family crest remains true.

Our College namesake, Sandford Fleming, arrived in Peterborough in 1845 at age 18. By applying his talents and knowledge, he helped shape this country and the world. His accomplishments include design of the first map of Peterborough and Canada’s first postage stamp. A surveyor and planner of Canada’s first railway, he also introduced Standard Time to the world.

As the institution bearing his name, we strive to bring the same innovative spirit to applied education, believing that it’s not just what you know, but how you put it to use.

O CANADA

O Canada!

Our home and native land!

True patriot love in all of us command.

With glowing hearts we see thee rise,

The True North strong and free!

From far and wide,

O Canada, we stand on guard for thee.

God keep our land glorious and free!

O Canada, we stand on guard for thee.

O Canada, we stand on guard for thee.

The logo for Indigenous Fleming College features a stylized, flowing line in a golden-brown color that forms a partial circle around the text. The text "Indigenous Fleming College" is written in a bold, sans-serif font, with "Indigenous" on the top line and "Fleming College" on the bottom line.

Indigenous Fleming College

Fleming College campuses are located on Michi Saagig Anishnaabe territory, people of the north shore of Lake Ontario and its tributaries. This area is covered by eighteen treaties and agreements that the Michi Saagig Anishnaabe participated in from 1781 to 1923.

Fleming College has settled on this land and recognizes that the region is now home to many Indigenous people from across Turtle Island and the importance of respecting the voices and history of Indigenous communities. Fleming College is grateful to work on this land and will continue to build authentic and reciprocal relationships.

A Gift to Fleming Graduates

To honour this area and relationship, the Indigenous Fleming College community, including the Indigenous Education Council, would like to honour and provide a gift to our graduates with an Honour Song.

Honour Song

The Honour Song is shared to recognize all the hard work of the graduating students and to celebrate their accomplishments. The Honour Song sends students off on their journey, and the next stages of their lives.

As a sign of respect, we ask that you remain standing for the duration of the Honour Song.

Message to Graduates from Dr. Theresa Knott

To the Fleming College graduating class of 2026:
Congratulations on reaching this important milestone.
Today is a celebration of your dedication, perseverance,
and the many achievements that have brought you to this moment.

Each of you has taken a unique path to get here, overcoming challenges and embracing new opportunities while developing valuable skills and experience along the way. Your commitment and hard work have prepared you not only for a career, but for a future full of possibility.

As you move forward, carry with you the knowledge, perspective and confidence you have gained during your time at Fleming. The world ahead is constantly changing, and your ability to adapt, learn and lead will set you apart. We are confident that you will make meaningful contributions to your communities and chosen fields.

Know that you are part of the Fleming community for life. Your faculty, staff and fellow graduates are proud of all that you have accomplished, and we will continue to cheer you on in the years ahead.

Thank you for choosing Fleming College to be part of your journey. We wish you a bright and successful future.

Dr. Theresa Knott
Interim President
Fleming College

Message to Alumni from your Advancement and Alumni Relations Office

It is a great pleasure to extend our sincere congratulations to you, our Fleming College Class of 2026 graduates. We welcome you to a diverse professional network of more than 100,000 Fleming alumni who are accomplishing great things around the world.

Once you accept your diploma or certificate, you will receive an alumni pin in honour of becoming a Fleming College graduate. This pin signifies your membership in the Fleming College Alumni community and celebrates your academic achievements.

The benefits for Fleming graduates are very rewarding. You now have exclusive access to career support, professional development, mentorship opportunities, home and auto insurance group rates, and retail discounts. You will also receive an online subscription to *Ignites* magazine and our quarterly e-newsletter. To ensure you stay informed about events, reunions, and alumni member benefits, we encourage you to keep your alumni record up-to-date on Fleming Alumni Perks and join our social media networks on Instagram, LinkedIn, and Facebook. You can learn about the various benefits available to you as an alumnus by visiting flemingcollege.ca/alumni and flemingalumniperks.com.

Convocation marks an important achievement. Regardless of the path you choose from here, we hope you take with you many good memories, enduring relationships and empowering ideas. We know that you will do great things and we are grateful to have you as new alumni ambassadors.

Congratulations and cheers to your success!

Fleming College

A History of Post-secondary Excellence and Community Success

This year marks 59 years of convocation at Fleming College. Hundreds of students will graduate from Fleming's Sutherland, Frost and Haliburton campuses.

These students are joining an alumni network consisting of more than 100,000 Fleming graduates, a network that spans the globe and influences almost every sector.

We are proud of our Fleming College graduates who are serving their communities and making the world a better place. They are working in marshes and forests, trying to understand and help the state of the natural world. They are in hospitals and offices, they are creating art.

This vast network has humble beginnings.

Fleming College began as a small office in downtown Peterborough, opening on May 1, 1967. In September of that year, Sir Sandford Fleming-Loyalist College of Applied Arts and Technology officially opened on McDonnell Street in Peterborough.

A year later the College was split into two separate institutions. The former Dobbin farm was chosen as the site of Fleming's new Brealey Campus and opened in 1973. A decade later it was officially named the Sutherland Campus in honour of Fleming's founding president, David Sutherland.

For more than 50 years the Sutherland Campus has grown to meet the evolving needs of our students and our community. In 2014 Fleming College invested heavily in the skilled trades sector, building the Kawartha Trades and Technology Centre. In 2019 the newly renovated A-Wing officially opened, a 76,000-square-foot renovation designed with a modern aesthetic appeal, rich in simulation spaces, and formal and informal student spaces.

The Lindsay Campus opened in 1967. Named after Ontario Premier Leslie Frost, the Frost Campus quickly earned a reputation for its outstanding environmental and natural resource sciences programs. Today the Frost Campus features an abundance of outdoor hands-on learning opportunities for students. Multiple green features like a geothermal heating and cooling system and a wind turbine help power and maintain buildings around the campus. Community and

pollinator gardens, wetlands and an arboretum have helped turn the entire campus into a living, learning laboratory for students. Fleming College recently opened a new \$2.5 million research facility for the Centre for Innovative Aquaculture Production. This facility will help Fleming lead the way in sustainable aquaculture practices around the world.

The Haliburton School of Fine Arts joined Fleming College in 1969. Now known as the Haliburton School of Art + Design (HSAD), it is recognized for its unique arts, heritage, design programs and popular summer arts courses. To meet the growing interest in Haliburton's programs, Fleming College has built a 1,790-square-foot residence which can provide accommodation for up to 94 people.

The Cobourg Campus of Fleming College first opened in September 1971 as the Lakeshore Campus. Fleming officially opened the doors of a new educational facility in the heart of Northumberland County in 2022. Positioned just outside Cobourg's downtown core, the Cobourg Learning Centre is a 3,325-square-foot facility located at 609 William St. It continues to serve the Northumberland community, offering Language Instruction for Newcomers to Canada (LINC), corporate training, and numerous continuing education courses.

As part of Fleming's commitment to Truth and Reconciliation, Fleming is proud to offer students in a growing number of programs the opportunity to get their Indigenous Perspectives Designation. This designation provides students with a more in-depth knowledge of Indigenous (First Nations, Métis and Inuit) Peoples and their cultures, histories, traditions and contributions to our shared society.

Fleming College would not exist today without the support of the communities it serves. Thousands of students have walked through its hallways over the years. Fleming College has been an active and vibrant part of the community for over 50 years, and we look forward to continued years of excellence.
