Your health and safety is our priority. Our studio environments can have a number of objects, tools and chemicals that require personal protective equipment (PPE) or other consideration for your wellbeing. All persons (including faculty, staff and students) are asked to observe the following while in the shops and studios:

- ✓ **Wear sturdy and appropriate shoes such as sneakers, closed leather shoes or work boots – *open-toed shoes, flip-flops or high heels are not allowed***
- ✓ **No long, dangling clothing or accessories** (scarves, flowing sleeves, chains, long necklaces, etc.)
- ✓ **Long hair must be tied back**
- ✓ **No bare skin if exposure to chemical or tools/machinery is likely**
- ✓ **Appropriate PPE is mandatory when operating tools and equipment within the studios.** Please consult with the faculty or studio technician to determine the appropriate PPE required for specific machines and studio processes.

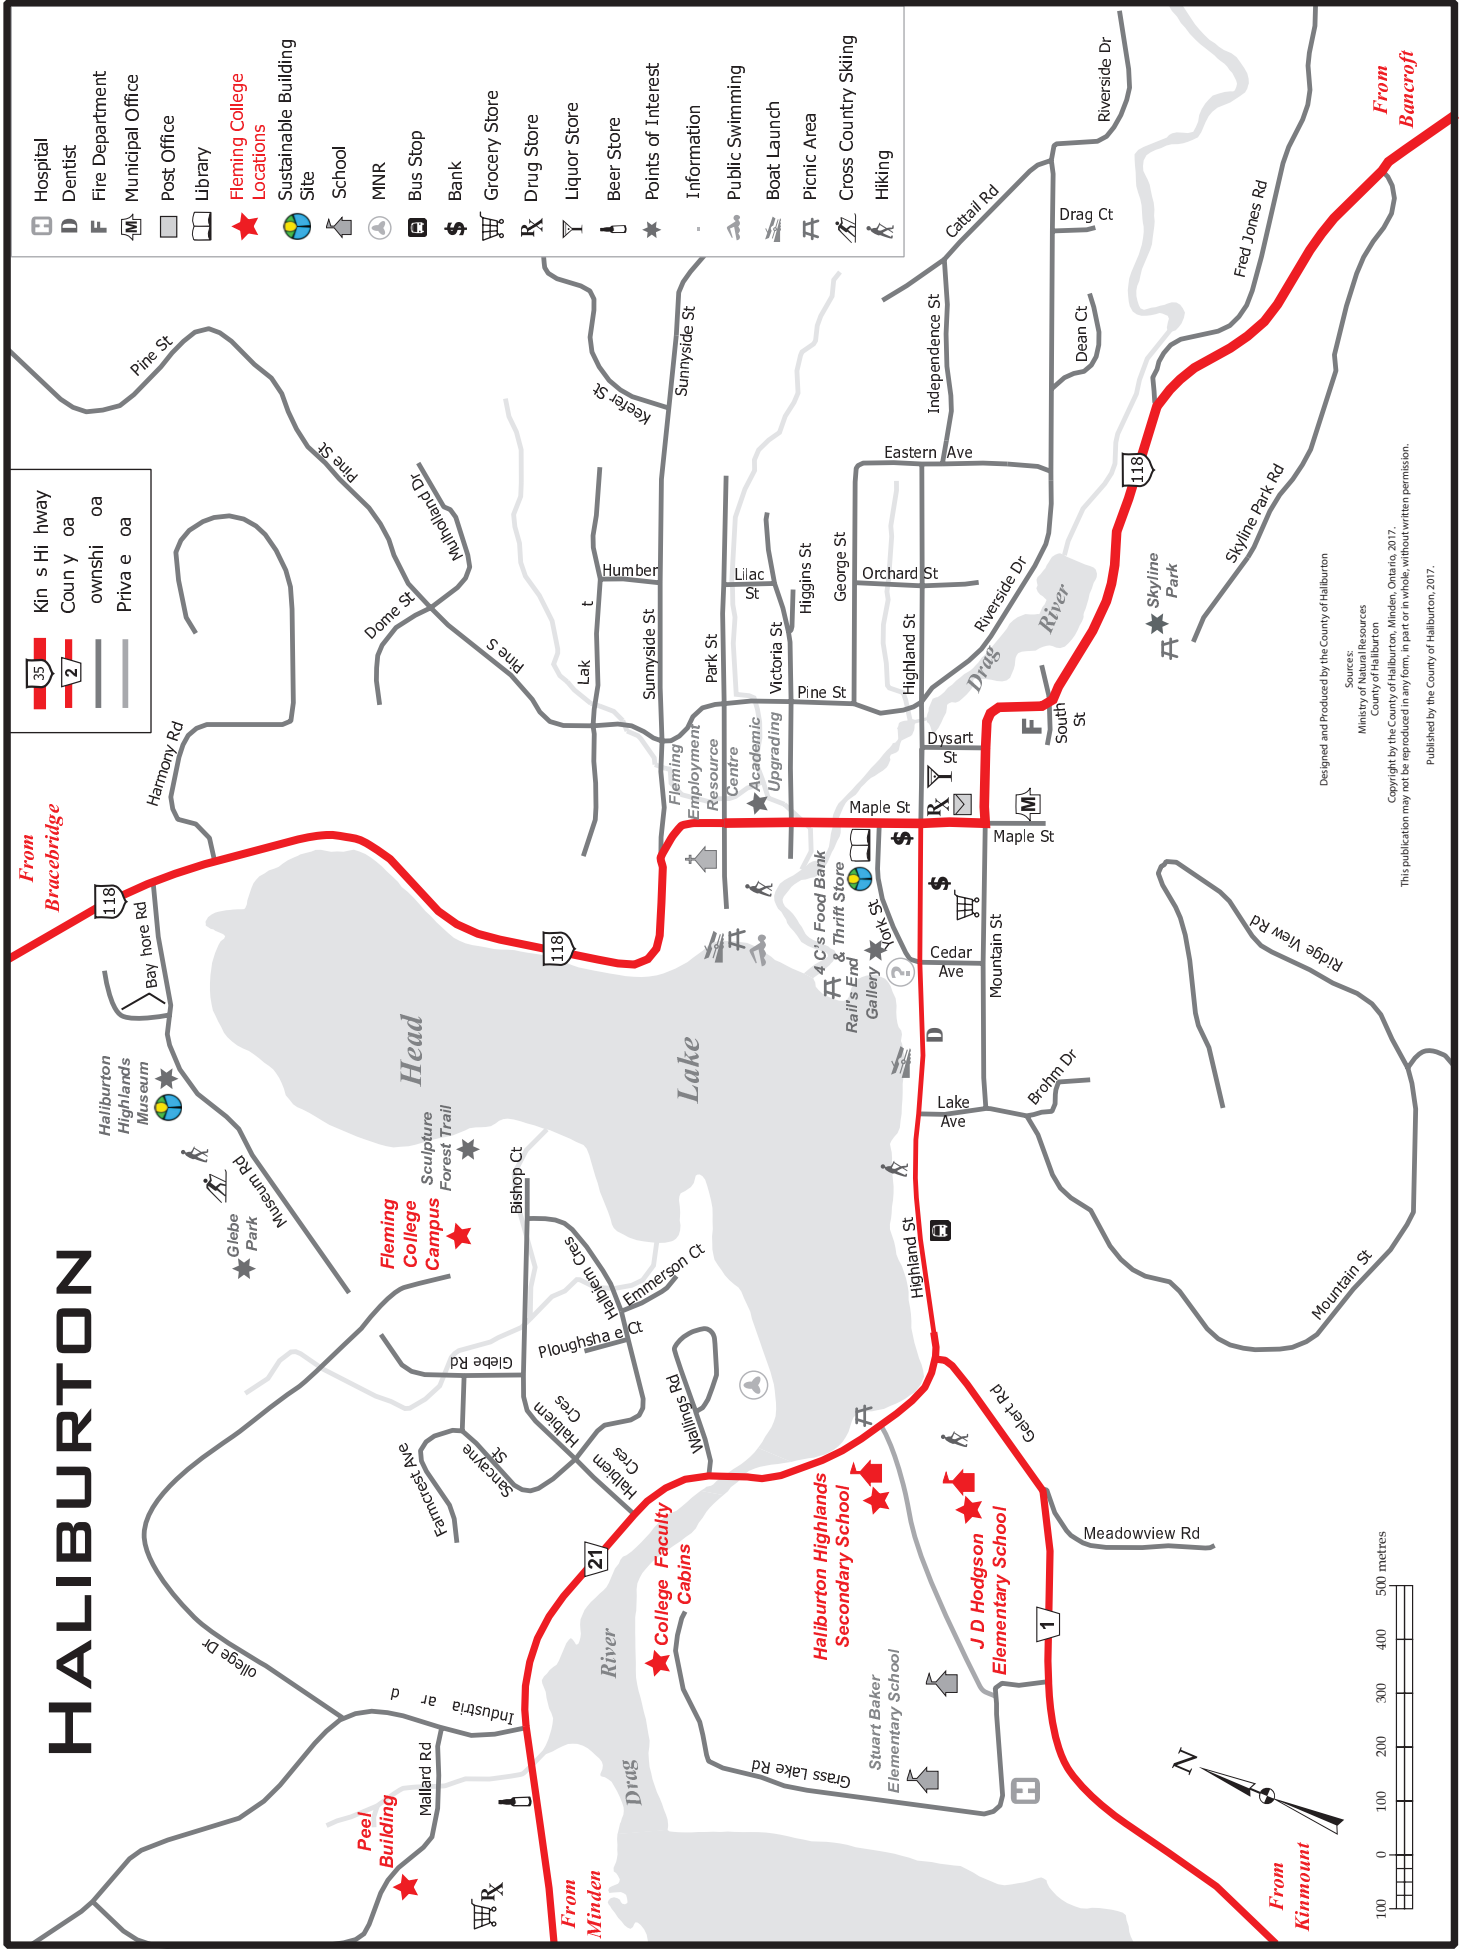

**Fit tests** are required for courses requiring a respirator as noted on your material list. Arrangements will be made on site.

As these are mandatory safety practices, we will follow up directly with students who may have oversights the above. Individuals may be asked to address any concerns before continuing to work in the studio.
