# MATERIAL LIST

## INDIGO & SHIBORI

ARTS1302

**INSTRUCTOR: Teena Jennings**

*Please check the status of your course before purchasing materials!*

**Mandatory Studio Safety Practices apply – Reference the attached**

**NO OPEN TOE OR HEEL SHOES IN THE STUDIO**

**There will be a material fee of \$40 payable to the instructor. This fee will cover all scouring soups, dyestuffs and related components, needles, thread, materials for resists pH strips, as well as basic fabric samples. Feel free to bring additional fabrics, realizing that indigo will dye all natural fabrics – cotton, linen, wool and silk, but NOT synthetic/blended fabrics.**

To confirm that the fabric you are bringing is not a synthetic/blended fabric, use a burn test:

- Find a well-ventilated area with a safe working surface, perhaps a foil pan in a sink.
- Cut a small stamp size sample.
- Ignite the sample and watch as it burns.
- If cotton or linen – it should burn quickly, smell like burning paper and leave a light grey, feathery ash.

If wool or silk – it will bubble as it burns and smell like burning hair. The wool will give a sulfur-y smell. The ash will be shiny, dark brown and crushable between your fingers. and form a hard bead.

Synthetics/blended fabrics will turn away from the flame and melt in to a hard bead.

### **Please bring:**

- Old clothes and/or apron; appropriate shoes; rubber glove; old bath towels
- 5-gallon bucket with lid for your indigo vat (home improvement stores) We will make 2-3 different vats so if you think you will want to save them for home, bring several buckets.
- Small spoons for mixing
- 2 large tubs for rinsing your fabrics; some yogurt container with lids
- 1 plastic jar that will screw tightly and 20 or so marbles
- Disappearing (wash-out) marker; Sharpie pen and small ruler
- Well fitting respirator with cartridges for particulate (A studio tech will 'fit test' your respirator)
- Strong twine and rubber bands
- Small sewing scissors; regular sewing scissors; seam ripper
- If you use a thimble, be sure to bring one

### **Optional:**

- Vintage linens; tired but favourite clothing/items with which you would like to play; yarns.

In order to accommodate changing registration levels and specific needs, precise room locations are determined the Thursday prior to the start of the course and are subject to change.

**AN ART SUPPLIER WILL BE ON CAMPUS**

**MONDAYS AND WEDNESDAYS.**

**FROM JULY 3 to AUGUST 9 ONLY**

Please ensure that you are aware of our refund policy as outlined in our brochure.

## **Mandatory Studio Safety Practices**

Your health and safety is our priority. Our studio environments can have a number of objects, tools and chemicals that require personal protective equipment (PPE) or other consideration for your wellbeing. All persons (including faculty, staff and students) are asked to observe the following while in the shops and studios:

- ✓ **Wear sturdy and appropriate shoes such as sneakers, closed leather shoes or work boots – *open-toed shoes, flip-flops or high heels are not allowed***
- ✓ **No long, dangling clothing or accessories** (scarves, flowing sleeves, chains, long necklaces, etc.)
- ✓ **Long hair must be tied back**
- ✓ **No bare skin if exposure to chemical or tools/machinery is likely**
- ✓ **Appropriate PPE is mandatory when operating tools and equipment within the studios.** Please consult with the faculty or studio technician to determine the appropriate PPE required for specific machines and studio processes.

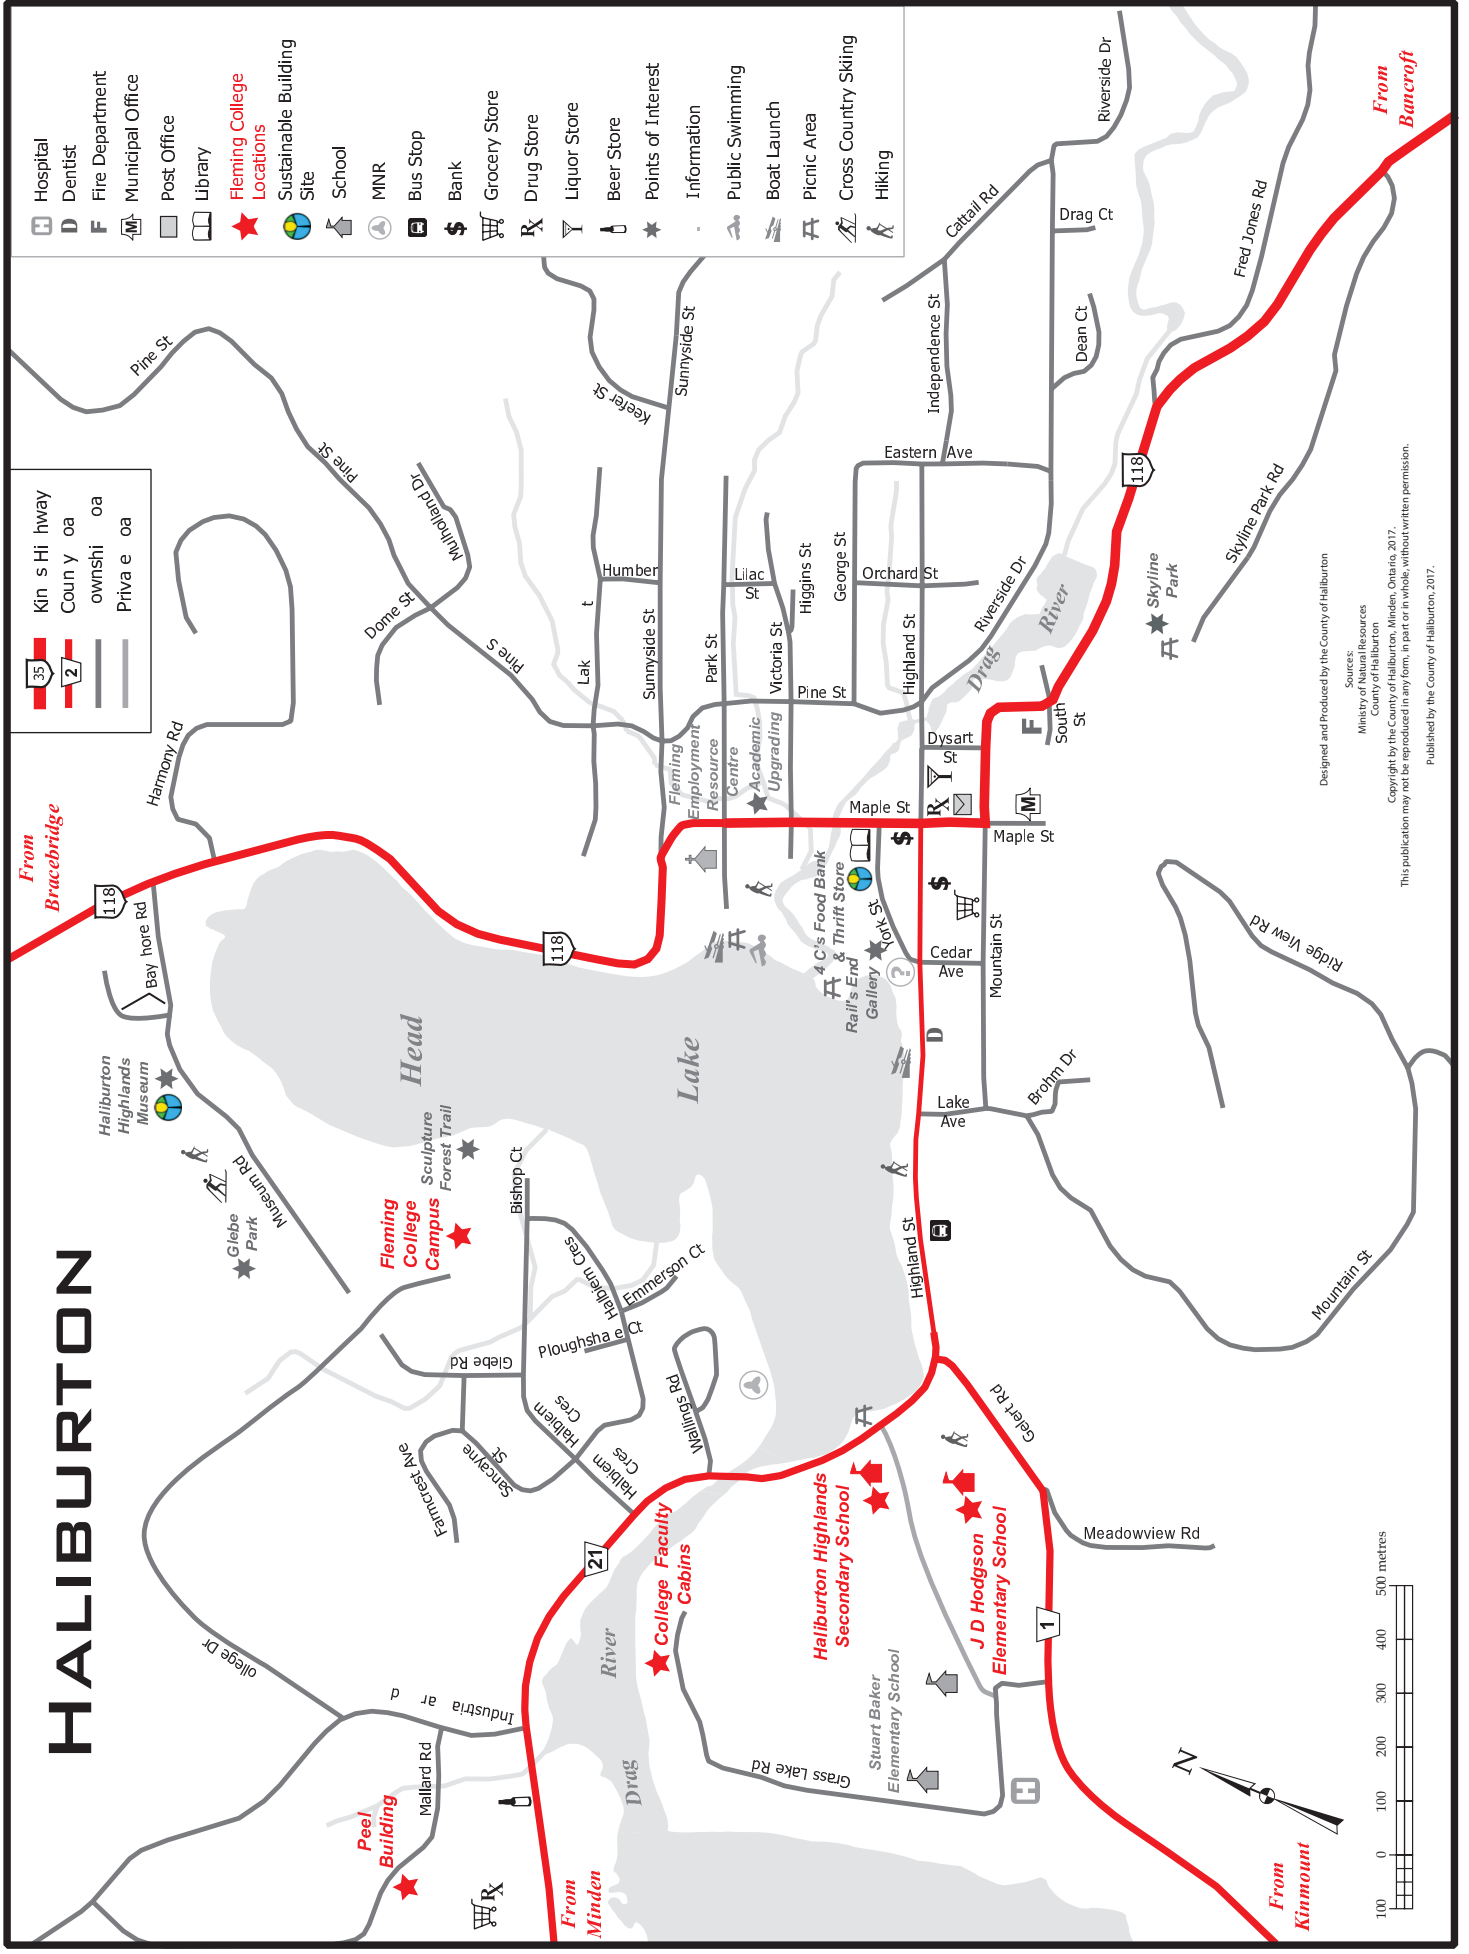

**Fit tests** are required for courses requiring a respirator as noted on your material list. Arrangements will be made on site.

As these are mandatory safety practices, we will follow up directly with students who may have oversights the above. Individuals may be asked to address any concerns before continuing to work in the studio.

Be sure to buy appropriate, good quality safety articles and equipment i.e. safety boots, protective eyewear, hearing protection, work gloves, x-acto knives, etc. – ask your supplier for advice.

**Your cooperation is appreciated.**
