We recommend that you inquire about cancellation policies and indicate that the school will determine feasibility of this course on **March 10th**, two weeks in advance of the start date. In the event of insufficient registration, it would be cancelled at that time.

Fleming College Cancellation Policy:

All courses and workshops are subject to cancellation in the event of insufficient registration. Should your workshop be cancelled, you will be notified 2 weeks in advance of start. Please ensure that we have an alternate means of reaching you if you will not be at home. Assume that your workshop is running as scheduled unless you hear otherwise. You are eligible for a full refund of fees or the option of transferring to another workshop within the current HSAD academic year (pending space availability) if the college cancels a course.

A Friendly Reminder Regarding Our Refund Policy:

Workshops are non-transferable. If You Cancel: All notifications of cancellation must be received in writing. If you cancel any time up to 14 days prior to course start, you will receive a full refund less a \$25 administrative fee. If you cancel later than 14 days prior to course start, there is no refund of fees. This policy applies in all circumstances due to our commitment to students and instructors two weeks prior to course start. Should you be able to attend a different course within the current HSAD brochure we would be happy to attempt to accommodate you, pending space availability. Our fax number is (705) 457-2255 and is available 24 hours/day 7 days/week. Notification is also welcomed electronically at askus@hsad.ca

I'm confident this workshop will be inspiring, challenging, and rewarding!

Regards,

Gail Woodard
