To accommodate shifting registration levels, last minute changes, and specific needs, room locations are determined the Thursday afternoon prior to the start of the course and are subject to change.

### Hours:

Your classes will run from 9:00am to 4:30pm, Monday to Friday, with an hour midday break. Some courses are 6 days - please carefully check your course information.

**Course Cancellations:**

All courses are subject to cancellation in the event of insufficient registration or public health directives. Should your course be cancelled due to insufficient registration, you will be notified 2 weeks in advance of course start. Ensure that we have an alternate means of reaching you if you will not be at home. Assume that your course is running as scheduled unless you hear otherwise. You are eligible for a full refund of fees or the option of transferring to another course within the current HSAD schedule (pending space availability) if the college cancels a course.

**A Friendly Reminder Regarding Our Refund Policy:**

- Courses are non-transferable.

If You Cancel: All notifications of cancellation must be received in writing. If you cancel any time up to 14 days prior to course start, you will receive a full refund, less a \$25 administrative fee. If you cancel later than 14 days prior to course start, there is no refund of fees. ## **Mandatory Studio Safety Practices**

Your health and safety is our priority. Our studio environments can have a number of objects, tools and chemicals that require personal protective equipment (PPE) or other consideration for your wellbeing. All persons (including faculty, staff and students) are asked to observe the following while in the shops and studios:

- ✓ **Wear sturdy and appropriate shoes such as sneakers, closed leather shoes or work boots – *open-toed shoes, flip-flops or high heels are not allowed***
- ✓ **No long, dangling clothing or accessories** (scarves, flowing sleeves, chains, long necklaces, etc.)
- ✓ **Long hair must be tied back**
- ✓ **No bare skin if exposure to chemical or tools/machinery is likely**
- ✓ **Appropriate PPE is mandatory when operating tools and equipment within the studios.** Please consult with the faculty or studio technician to determine the appropriate PPE required for specific machines and studio processes.

**Fit tests** are required for courses requiring a respirator as noted on your material list. Arrangements will be made on site.

As these are mandatory safety practices, we will follow up directly with students who may have oversights the above. Individuals may be asked to address any concerns before continuing to work in the studio.

Be sure to buy appropriate, good quality safety articles and equipment i.e. safety boots, protective eyewear, hearing protection, work gloves, x-acto knives, etc. – ask your supplier for advice.

**Your cooperation is appreciated.**
