

## WELCOME TO THE HALIBURTON SCHOOL OF ART + DESIGN

We're looking forward to having you with us in the inspirational Haliburton Highlands. The following details will assist you with your preparations.

### Locations:

All courses will be located at **Fleming's Haliburton Campus** or **Haliburton Highlands Secondary School**, except for Blacksmithing, Iron Sculpture, Forging and Bladesmithing, which are held at Fleming's **Peel Building**, located a short drive from campus. Please consult the map included here.

Specific room locations for all courses will be emailed to you prior to course start, as well as posted at the main entrance of the campus and high school. Staff will be available to assist at both locations each Monday morning.

To accommodate shifting registration levels, last minute changes, and specific needs, room locations are determined the Thursday afternoon prior to the start of the course and are subject to change.

### Hours:

Your classes will run from 9:00am to 4:30pm, Monday to Friday, with an hour midday break. Some courses are 6 days - please carefully check your course information.

### Food and Beverages:

Fleming Campus: There is a small servery located at our Fleming Campus, open Monday to Friday, 8:30am to approximately 1:30pm. Additionally, there is a microwave and refrigerator available for your use.

High School: Food service at the high school is unconfirmed but details will be provided in your pre-arrival email. A number of restaurant options are located close by in the village, as well as in the surrounding area.

## **Mandatory Studio Safety Practices**

Your health and safety is our priority. Our studio environments can have a number of objects, tools and chemicals that require personal protective equipment (PPE) or other consideration for your wellbeing. All persons (including faculty, staff and students) are asked to observe the following while in the shops and studios:

- ✓ **Wear sturdy and appropriate shoes such as sneakers, closed leather shoes or work boots – *open-toed shoes, flip-flops or high heels are not allowed***
- ✓ **No long, dangling clothing or accessories** (scarves, flowing sleeves, chains, long necklaces, etc.)
- ✓ **Long hair must be tied back**
- ✓ **No bare skin if exposure to chemical or tools/machinery is likely**
- ✓ **Appropriate PPE is mandatory when operating tools and equipment within the studios.** Please consult with the faculty or studio technician to determine the appropriate PPE required for specific machines and studio processes.

**Fit tests** are required for courses requiring a respirator as noted on your material list. Arrangements will be made on site.

As these are mandatory safety practices, we will follow up directly with students who may have oversights the above. Individuals may be asked to address any concerns before continuing to work in the studio.

Be sure to buy appropriate, good quality safety articles and equipment i.e. safety boots, protective eyewear, hearing protection, work gloves, x-acto knives, etc. – ask your supplier for advice.
