## AGENDA – COBOURG CAMPUS

### THE COBOURG CAMPUS NOW OFFERS THE PERSONAL SUPPORT WORKER PROGRAM

Representatives are here throughout the day to talk to you!

### PERSONAL SUPPORT WORKER

The Personal Support Worker program gives you the training and credentials to provide practical support services to individuals and families in need of help. It's a satisfying, people-focused career.

### WHY CHOOSE FLEMING

The College ensures the program follows ministry guidelines, and as such, the program is widely recognized by agencies and related employers. The dedicated PSW skills lab, as well as the clinical experiences, are highlights of the students time in the PSW program at the Cobourg Campus. There's a consistently high, over 90 per cent employment rate for graduates of this program – you might be hired before you finish the course.
