

# Pathways to a Degree

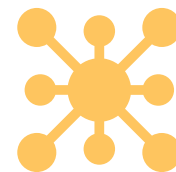

A wide range of transfer agreements allow you to start at Fleming College, gaining a hands-on, applied education, and then fast track to a degree. You will gain a college diploma and a degree at a lower cost than pursuing a degree on its own.

**Less time, less tuition**

**Practical skills + academic knowledge**

**Industry experience and connections**

## General Arts and Science – University Transfer Program

In this 1-year program you can acquire a solid foundation in university-level social sciences and humanities while also earning a full year of university credits. This program is specifically designed for those who do not have the necessary academic credentials to enter university directly or want to develop the skills, knowledge and self-confidence to be successful in university. Successful graduates will earn credit for the first year of courses for a Bachelor of Arts degree at Trent University or Carleton University.

## Ecological Restoration Honours B.Sc. Joint Trent-Fleming Degree/Diploma

This emerging discipline focuses on assisting the recovery of degraded, damaged or destroyed ecosystems. Start with 2 years at Fleming gaining hands-on skills and continue with 2 years at Trent sharpening your academic knowledge.
