

Fleming College

COUNSELLING SERVICES

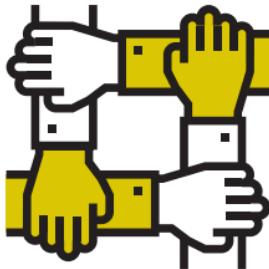

We offer a range of services including on-line self-service resources, walk-in appointments, psycho-educational groups and workshops as well as short term supportive counselling in a safe, non-judgmental setting. Our professional and registered counsellors can assist you with personal or academic concerns.

Fleming College

ACCESSIBLE EDUCATION SERVICES

**Are you a student with a disability?
Did you have an IEP in high school?**

We strive to eliminate academic barriers and improve the accessibility of the college environment for all students in order to provide a positive and equitable learning experience.
