

# myCampus for Students, Staff and Alumni of Fleming College

From the Fleming College website <http://flemingcollege.ca/>, click on the 'myCampus Login' link - top right. Alternatively you may go directly to the myCampus Portal using the following URL: <https://mycampus.flemingc.on.ca/>

If this is your first time accessing an authenticated Fleming College service you may not have your username. By utilizing the 'New Student' function located on the login page of myCampus you will be able to get your account credentials. To obtain your username you will be asked to provide your date of birth as well as your student number. Once provided, a personalized message detailing your username and Fleming email address will be provided. Your password will be your student number until you change it.

The myCampus Portal is a one-stop shop for all services that you as a student will require. On the homepage you will be provided with this weeks schedule, Fleming news, upcoming events, important information from the Registrar, important dates as outlined in the academic schedule and during special circumstances school closure notices and IT service notices for planned outages will appear.

Additionally, the myCampus portal links to other important services such as your 'My Email', 'My Courses' for access to D2L and your course resources, and 'My Files (H:)' for accessing files stored on the Fleming network.

## My Student Centre

All of your most important student information is stored within the 'My Student Centre'. This is where you will go to find your full timetable, financial information such as balance due, final grades, contact information, etc.

## Student Timetable

Always know where you're supposed to be. At a glance see a list your classes scheduled for the week including cancellations and delays.

[Access to Desire2Learn \(D2L\)](#)

[Access to Fleming College Email](#)

[Access to Class Cancellations](#)

## Resources

The 'Resources' tab contains information on finding a program coordinator, parking, lockers, college policies, and links to other services within the college (bookstore, disability services, libraries and much more).

## Help

How to get IT support and various guides on how to use online resources.

## Important Notices

The Registrar's Office uses this area to communicate various deadlines regarding registration, fees, and bursaries. Also visit the Registrar page for additional information.

## Important Dates

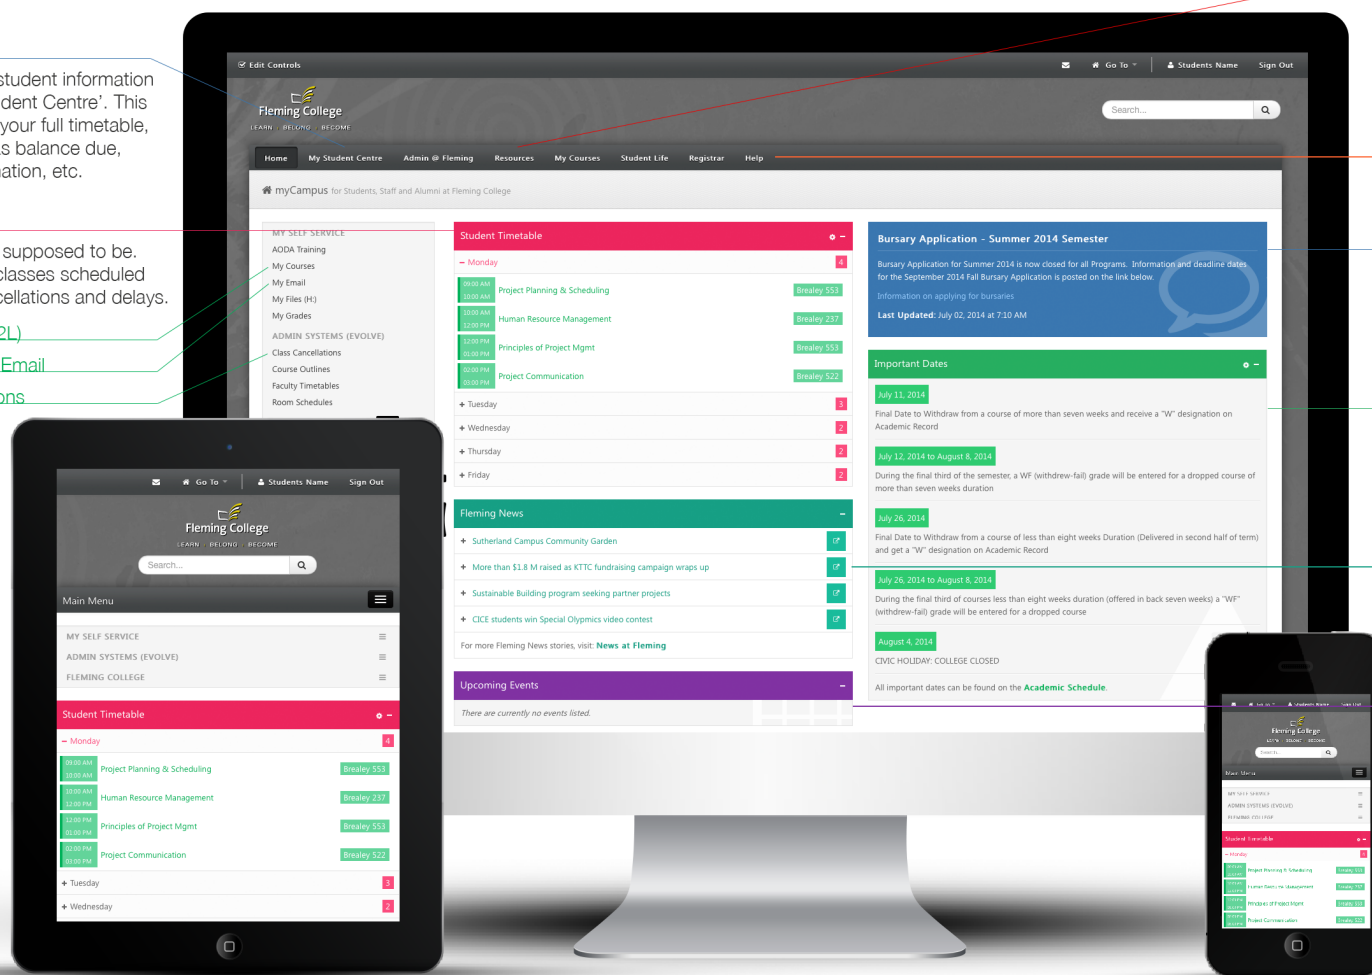

This area details all-important dates as they relate to the academic schedule. These dates detail all-important academic deadlines, holiday school closures and much more.

## Fleming News

Stay up to date with Fleming College as we detail our involvement in the community introduce new initiatives, and publish press releases.

## Upcoming Events

Various groups around the institution advertise campus events in this area. Keep your eyes posted for events from Student Life and the Student Associations.

The myCampus portal is also responsive which means the website will alter its appearance based on your device of choice
