

Pathways to a Degree

2 years at
Fleming College
+
2 years at a
Partner Institution

**A College Diploma
and a Degree in just
4 years of study**

A wide range of transfer agreements allow you to start at Fleming College, gaining a hands-on, applied education, and then fast track to a degree. You will gain a college diploma and a degree at a lower cost than pursuing a degree on its own.

Less time, less tuition

**Practical skills + academic
knowledge**

**Industry experience and
connections**

General Arts and Science – Degree Transfer

In this 1-year program you can acquire a solid foundation in university-level social sciences and humanities while also earning a full year of university credits. This program is specifically designed for those who do not have the necessary academic credentials to enter university directly or want to develop the skills, knowledge and self-confidence to be successful in university. Successful graduates will earn credit for the first year of courses for a Bachelor of Arts degree at **Trent University** or **Carleton University**; a Bachelor of Arts degree in Adult Education at **Brock University**; or a Bachelor of Arts degree in Conflict Studies, a Bachelor of Arts degree in Human Relations and Spirituality, a Bachelor of Arts degree in Ethics and Contemporary Social Issues, a Bachelor of Arts degree in Social Communication, or a Bachelor of Arts degree in Social Innovation from **Saint Paul University**.

Ecological Restoration Honours B.Sc. Joint Trent-Fleming Degree/Diploma

This emerging discipline focuses on assisting the recovery of degraded, damaged or destroyed ecosystems. Start with 2 years at Fleming gaining hands-on skills and continue with 2 years at Trent sharpening your academic knowledge.

All Ontario College Diplomas have a 2 + 2 pathway with Ontario Tech University in their Bachelor of Arts in Educational Studies and Digital Technology.
